

### SPECIAL NOTE

These large mirrors with <sup>1</sup>/<sub>4</sub>" plate glass are especially heavy and require careful consideration and execution in hanging.

We include attached cleats but you may need to re-install them so that spacing will allow attachment to structural wall studs.

Consult with a professional if you are not familiar with construction practices.

### Newhalem Mirror

54" wide  
30<sup>3</sup>/<sub>4</sub>" tall
